

VL-FaultPanel

FAULT ANNUNCIATOR PANEL

INTRODUCTION

These instructions provide identification, installation, connection, operation, and maintenance information for the VL-FaultPanel Valcom Fault Annunciator Panel.

DESCRIPTION

The VL-FaultPanel provides audible and visual notification of network and/or wire faults when used with the appropriate supervision equipment. Typically used with a Valcom IP Audio Gateway to provide the appropriate contact closures to operate the panel, it provides power on LED, network fault LED, wire fault LED and has a fault memory blinking LED to indicate intermittent faults. Pushbuttons are provided for audible buzzer silence and memory fault reset. Audible indication auto-resets upon all fault clear. The fault panel is used as an annunciator of system faults for assistance in verifying system status. The VL-FaultPanel is housed on a standard 2 RU rack panel designed for 19+racks.

(48.26 cm W x 8.89 cm H x 5.72 cm D)
1.4 lbs. (.635 kg).

Power Requirements

- . 21.5 to . 26 VDC Battery, 200mA maximum

TYPICAL CONNECTIONS

VALCOM LIMITED WARRANTY

Valcom, Inc. warrants its products only to the original purchaser, for its own use, to be free from defects in materials and workmanship under conditions of normal use and service for a period of one year from the date of shipment. This Limited Warranty obligation shall be limited to the replacement, repair or refund of any such defective device within the warranty period, provided that:

1. inspection by Valcom, Inc. indicates the validity of the claim;
2. the defect is not the result of damage, misuse or negligence after the original shipment;
3. the product has not been altered in any way or repaired by others and that factory sealed units are unopened (a service charge plus parts and labor will be applied to units defaced or physically damaged);
4. freight charges for the return of products to Valcom are prepaid;
5. all units 'out of warranty' are subject to a service charge. The service charge will cover minor repairs (major repairs will be subject to additional charges for parts and labor).

This Limited Warranty is in lieu of and excludes all other warranties, expressed or implied and in no event shall Valcom, Inc. be liable for any anticipated profits, consequential damages, loss of time or other losses incurred by the buyer in connection with the purchase, operation, maintenance, installation, removal or use of the product. The maximum liability of Valcom under this warranty is limited to the purchase price of the specific Product covered by the warranty.

Disclaimer. Except for the Limited Warranty provided herein, the product is provided as-is+without any warranty of any kind whatsoever including, without limitation, any **WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT.**

This warranty specifically excludes damage incurred in shipment. In the event a product is received in damaged condition, the carrier should be notified immediately. Claims for such damage should be filed with the carrier involved in accordance with the F.O.B. point.
